MEMORANDUM NO. 2009-ARRA2

TO: School District Superintendents

FROM: Jim McBride, Ed.D.

DATE: March 12, 2009

SUBJECT: American Recovery and Reinvestment Act information - 2

For Your Information

We have received preliminary guidance from the U.S. Department of Education (USDOE) regarding the stimulus funds targeted for education. I would encourage all district superintendents and interested school personnel to access this guidance through the USDOE website www.ed.gov/policy/gen/leg/recovery/index.html.

We are currently working with our Grants Management System vendor to provide a mechanism for districts to profile these funds as they become available. **Districts should not budget these funds until appropriate guidance has been provided through USDOE.**

WDE unit directors and program managers are working with USDOE, and our national organizations to compile reliable and accurate information regarding the use of the ARRA funds. We will share that with you as soon as it becomes available.
